ArtsR4LIFE 2017–2018 Virtual Professional Development Series

Geared toward teachers, administrators, teaching artists, or anyone who wants to better understand the Arts Education Essential Standards, Arts Integration strategies, or how to effectively work with Teaching Artists in schools to support student understanding. Up to 10 contact hours are available for CEU credit, with prior approval from the LEA/Charter. Participants will receive certificates for one hour of participation for each episode by completing an evaluation, which includes answering reflective questions from the episode.

EPISODE	TOPIC	CONTENT/NOTES
PREVIEW	Comprehensive Arts Education	<p>“Opening Night!”</p> <p>Overview of the ArtsR4Life professional development series and introduction to Comprehensive Arts Education (CAE) policies and partnerships. We will share NC’s 3 components of CAE that include: Arts Education, Arts Integration, and Arts Exposure. Get ready to be ignited with tools that will help you capitalize on cross-sector learning and collaboration, weaving instructional approaches and leadership skills through a comprehensive approach to Arts Education! “Break a Leg and get the tools you need for the most meaningful performance in your career!”</p>
1	Arts Education: Standards 101	<p>“Double Standards”</p> <p>Join us in better understanding the Arts Education Essential Standards as we discover the organization, purpose, intended outcomes, and how to navigate the standards. Your understanding will ultimately inform student outcomes and opportunities to strengthen your content curriculum. We hope you will leave ready to “double your standards!”</p>
2	Arts Integration: Dance	<p>“Get on Your Feet!”</p> <p>Arts Integration presented by A+ Schools of North Carolina – geared toward teachers and standards for all content areas (including arts educators and teaching artists) or anyone who wants to better understand arts integration strategies using creative movement and dance – this session is for you! We look forward to helping and your students “get on their feet!”</p>
3	Arts Education Standards 201	<p>“Raise the Roof”</p> <p>“Raise” your understanding as you blow the roof off of your standard-based lesson planning and become confident in implementing standards. Strengthen your lessons as you “Raise” the level of instruction your students receive. Participants will explore RBT in more depth, discuss student growth, and look at standards articulation.</p>
4	Arts Exposure 1	<p>“Mission Possible”</p> <p>“It’s Possible” to effectively partner with teaching artists in the schools to support the standards! This session will cover strategies and pointers for successful partnerships with teaching artists to occur (arts educator, teaching artist, classroom teacher/s working together to support student learning - again, standards could be arts and non-arts). You will leave this session inspired and realizing that YES – “It’s Possible!”</p>

5	Arts Integration: Music	<p>“Fascinating Rhythms”</p> <p>Music Integration presented by A+ Schools of North Carolina – geared toward teachers and standards for all content areas (including arts educators and teaching artists) or anyone who wants to better understand music integration strategies – this session is for you! You will find the “beat” for how “fascinating” music integration strategies can occur in any classroom!</p>
6	Arts Education 301	<p>“Arts CabConfessions”</p> <p>We will look more deeply at the Arts Education Essential Standards and explore the opportunities that the NC Educator Evaluation System can “create” an opportunity to strengthen your instruction and support an open dialogue between you and your administrator about how you are implementing standards! If you want to “Create Opportunity” for your students - Don’t miss this episode!</p>
7	Arts Integration: Theatre Arts	<p>“Curtain Up, Light the Lights!”</p> <p>Theatre Arts Integration presented by A+ Schools of North Carolina – geared toward teachers and standards for all content areas (including arts educators and teaching artists) or anyone who wants to better understand theatre arts integration strategies – this session is for you! “Curtain up, light the lights!” Learn strategies for incorporating creative drama and theatre in any classroom!</p>
8	Arts Education: Standards 401	<p>“Walking the Walk!”</p> <p>Arts Educators will give meaningful examples of how the standards have strengthened their arts programs. We will spend time exploring the impact teachers can have on their students, administrators, schools, and communities by implementing the standards in lesson planning and instruction! This episode includes exemplars of standards in action.</p>
9	Arts Integration: Visual Arts	<p>“Adding Colors to your Palette”</p> <p>Visual Arts Integration presented by A+ Schools of North Carolina – geared toward teachers and standards for all content areas (including arts educators and teaching artists) or anyone who wants to better understand visual arts integration strategies – this session is for you! “Paint” the classroom of your dreams for your students by incorporating visual arts integration strategies that will encourage success through the Arts!</p>
10	Arts Exposure 2	<p>“Double Exposure”</p> <p>Continue the conversation of effectively partnering with teaching artists in the schools to support the standards! We will have special guests from the field that will give examples of strategies and pointers for successful partnerships with teaching artists to occur (arts educator, teaching artist, classroom teacher/s working together to support student learning– standards could be arts and non-arts). You will leave this session equipped with the tools to strengthen Arts Exposure experiences as part of Comprehensive Arts Education for all!</p>
